

"Did you
retrieve his
body?"

For a moment,
my mind went blank.

I've tried avoiding it;

I've tried burying it—

to no avail...

How pointless of me

to be dwelling
in despair.

Are you
alright, Miles?

...?

It's cold out,
let's go to a place
where you can
warm yourself.

STEP

STEP

Step

You don't need
to concern yourself
about her!

Be on your way!

Is there a problem?

That's an order.
As you can see,

she is a
worthless
person.

Are you able to stand?

You have no right to say that after robbing someone of their basic rights.

LOVE, KIRIKA!

This is wrong.

Please drink.

It's warm.

I wonder
what it is?

LONE MANGA!

This is the first
time we've met,

but I can't look
away from her.

Somewhere,
I want to help her,
no matter what.

It's as if I owe her a great debt...

That's really
strange

DD

I've seen him
before, somewhere.

Have I gone
crazy??

I'm being
rude. I need to
calm down....

That aside, Prince Reinhart
said he was against slavery.

Clearly, he was
deceiving me.

He's as wild as I predicted. Did he think I would just overlook something like this?

Hmph!

My name is Raibon.

Raibon...
Mr. Raibon?
From the Forest of
Mirage Beasts?

Right.

I had his
memory erased.

He doesn't
know who I am.

I'm currently working
as an activist against
the Slavery Law in order
to protect basic rights...

LOVE MANGA!

He looks pained;
did something
happen to him?

If you're not
sure how to improve
your situation

I need to start
slowly and carefully.

○ ○

Why is he here alone?
What happened to Mr. Haku?
They were always together.

or if you're being
mistreated,

please tell me.

If you can identify
the problem,

you may be
able to find the
solution as well.

BANG!

As skilled as always, huh?

Have you finished your business?

Ah, yes.

The "top-quality Kirin" is completely under my control.

As for you, I heard
it was a struggle to
capture it. But, really, it
wasn't too much effort
for you, was it?

And now that
you have something
more powerful, I suppose
you no longer require
Black Eye, etc?

Is that useful?

Well, regardless, when
it comes to human women,
breaking them into
submissive has

BANG!

Did you miss?

If this is what
I think it is, it should
be pretty incredible—

Enough of
this subject.

If you're done
with your business,
just leave.

"Exception."

Edge and inclusion

Class

Radicalism

"Special"

Could it be...?

No. He shouldn't
know, yet.

As you wish.

It's best if he
thinks that I'm nothing
but a bother for him,
right now.

So, I'll refrain from
irritating him.

Aid Grandmother
will be coming soon.

The 'storage fee.'

if you
please,

...

Because I wouldn't want
a perfectly fine knight

LONE MANGA!

to suddenly break.

This is called a fountain pen; there's ink stored inside, so you should be able to use it just as is.

It's a new invention, so it's not available publicly yet.

But, I managed to get one by asking around.

The one who
created this gave me
such a pep talk that I
almost died of stress

Ah, she
laughed.

Ahem!

What's your name?

Reena.

What's your
surname? Do
you have any
other family?

You don't
have to answer, if
you don't want.

Have you gone
through the coming-
of-age ceremony?

Next February,
I'll become an adult.

She's young!

How long
have you been
this way?

Approximately
two months...?

Where were you
when it happened?

At the capital.

Two months
ago, at the capital.
She was caught
during the collapse
of Hellen, huh?

There were
many incidents
during that time.

Do you remember
who did this to you?

Prince Reihart.

VILLAIN AFTER ALL!**

Of course, royalty
receives special authority
no matter how you
consider it.

Argh! The Slavery Law is
an atrocity, like only ones
who benefit are the royalty
who control it. Ugh...

Oh, it seems
he's misunderstood
these bindings.

Do you think that
I'm a slave because
of this collar?

Yes... Where
are you from?
Could you be from
the Old Continent?

I'm from a
northwestern town
called Middle; there
were no slaves there.

So, you don't
know much about
the Slavery Lane.

Correct.

Um...
Ms. Beana

I'll just call
you Ms. Beana.

You know
that the proof
of slave is the
collar, correct?

NO?

A slave collar's color represents the type of slave.

The lowest of all slaves are the Aksoons; they wear a black collar.

As for humans, the brighter the color, the higher the ranking of the person that owns the slave.

Gold is exclusive to the royal family.

And the red color...

Libb... Hemo...

... means you
are a slave who tends
to him at night.
